Shozna

EST. 1996

Shozna continues to be a pioneer of change in the perception of Indian and Bangladeshi Cuisine.

The cuisine of the Indian sub-continent is made up of different subtle taste and flavours, it is as varied as the climates and the people, with their distinct cultures and traditions, within this vast land.

Curry is at the heart of all the different cuisines, but there are clear variations among the many regions. For example, in South India and Bangladesh they have a preference for fish dishes with rich sauces served with rice, whereas in North India and Pakistan, the preference is for spicier meat dishes accompanied by breads and chapatis.

Authentic Indian cooking is an art achieved through generations of refinement.

At Shozna, we bring you the best of these different heritages to give you an eating experience that is rich in exquisite tastes and flavours of the East. We are proud to present mouthwatering dishes to suit every taste, including Moghul food, the mythical "Food of Kings"! All our dishes are prepared by our regional, national and international award winning Executive Chef, Jay.

The Shozna Dining Room can accommodate all celebrations, whether corporate, weddings or parties for up to sixty people.

We can assist with any special requirements or bespoke menus and can cater for a variety of palates and tastes.
Bespoke menu prices are from £30 per person.

AV equipment is also available on request.
